GD -"Simply the best group of guys. Their music is perfection. Vocals. Guitar, bass, drums are exquisite"

AF- "Such an amazing group of guys- vocals are perfection... each band member has such great talent... they are powerful... energetic and by far the best Led Zeppelin cover band!"

SM-"Led Zeppelin" tribute band, I just saw at the Jones Beach bandshell, Friday night (7/26/19). The introduction called them "the BEST tribute band anywhere, bar none!" A helluvalot to live up to! NAILED IT! The perfection of the sound, and the impressive stage light show created a realistic Led Zep experience, and drew many in the audience, throughout the concert, to move forward and pack the front half of the pit. I HIGHLY recommend them, and I wouldn't hesitate to go see them, again!

LM- "Wonderful, outrageous, ROCKS, they are a must to see if you

get the chance don't hesitate."
